

FLOOR PLAN — MEASUREMENT AND USE DISCLAIMER

This Floor Plan was prepared solely for general reference and preliminary planning purposes. The measurements, dimensions, ceiling heights, locations, and other information shown were taken in good faith but are approximate, have not been professionally surveyed or verified, and are not guaranteed to be exact.

This floor plan is not intended to serve as an architectural, engineering, surveying, permitting, fabrication, or construction document. Before preparing any final design, ordering materials or equipment, obtaining permits, or beginning any construction or renovation work, the recipient and the recipient's architect, engineer, contractor, designer, or other qualified professional must independently measure and verify all dimensions and existing conditions at the property. Actual field measurements and conditions shall control.

By accepting or using this floor plan, the recipient acknowledges that the information shown will not be relied upon as exact and accepts responsibility for independently verifying all measurements and conditions. To the fullest extent permitted by law, the property owner and preparer make no warranty regarding the accuracy or completeness of the floor plan and shall not be responsible for costs, losses, delays, redesigns, material orders, construction issues, or damages resulting from its use or reliance upon it.

**ALL MEASUREMENTS ARE APPROXIMATE — VERIFY ALL
DIMENSIONS AND CONDITIONS IN THE FIELD.**
